SCHOOL CLOSING INFORMATION 2020-2021 FROM LAURA PENMAN, SUPERINTENDENT

The following information is for emergency and weather-related interruptions to the instructional day NOT related to COVID-19.

School Delays and Cancellation Reminders - Eminence Community Schools utilizes *School Messenger* to provide notification services for emergency broadcasts, parental outreach and student attendance communications. Whenever possible, the decision regarding school closing or delay will be made before 6:00 a.m. When weather conditions are already severe the evening before, announcements concerning school closing or delay may be made at that time.

School Messenger is programmed to notify the primary phone number of parents/guardians, cell phone numbers, emails and the alert numbers families provided during student registration for the 2020-2021 school year. At any time, you may login to your student's Harmony account to add or make changes to your contact information. *School Messenger* will be used to complement our emergency preparedness procedures and to inform parents of school closings or delays. All changes in the contact information must be completed in Harmony. The *School Messenger* database syncs with Harmony and updates each evening. If you have any questions, please contact Mrs. Julie Shuler in the Jr.-Sr. High School Office at (765) 528-2222 or email jshuler@eminence.k12.in.us.

In addition to the *School Messenger* system, weather related announcements will be made on the following television and radio stations:

Indianapolis WRTV Channel 6
Indianapolis WISH Channel 8
Indianapolis WTHR Channel 13
Indianapolis WXIN TV 59
Martinsville Radio Station WCBK FM 102.3

Once School Messenger and the above stations have been notified, information will appear on our website.

Please keep in mind that one of the following plans is possible, during inclement weather or emergency situations:

1. An eLearning Day will be implemented.
2. CLOSE school entirely: Every effort will be made to notify the media by 6:00 AM.
3. DELAY the start of school for two hours:
 - a. Buses will run two hours late.
 - b. Breakfast will NOT be served.
4. DELAY the start of school, but HOLDING, for possible CLOSE school entirely (*This would happen when the weather conditions causing a delay worsen.*)
5. EARLY RELEASE: Weather conditions have changed to the point that, without an early dismissal, vehicle travel will be unsafe. The *School Messenger* system will be activated and the media notified on the times of early release. These plans could be altered should the situation warrant a change. Car riders will need to be picked up at early release time unless the changing of plans has been called in for a note to be sent to a student.
